

BUTY
2007 Rediviva of the Stones

95

Wine Enthusiast
Cellar Selection

Violets and compost dance through the aromas, leading into an intensely fruity palate loaded with sappy berry richness, nuanced with scents and streaks of cured meat, garrigue, earth and graphite. Blending 77% Syrah with 23% Cabernet Sauvignon, it strikes a perfect balance among fruit, earth, and rock. At its core it is still wrapped tight, immaculately clean, and still almost impenetrably dense.
