2008 Roble

89

Wine Advocate

The 2008 Roble spent 6 months in French oak. It delivers a more complex aromatic array with scents of cedar, tobacco, lavender, black cherry, and blackberry. Layered and plush on the palate with loads of savory fruit, this balanced offering will evolve for 1-2 years but can be approached now. It is also a terrific value that will provide pleasure over the next 6 years.
